

Pack 152 Pinewood Derby 2010 Race Schedule

Here's the plan:

1) All starting times are shifted 5 hours. Order remains the same. Please see the times below for more details.

2) If your boy cannot come but can get his car to someone who is, we WILL RACE HIS CAR FOR HIM under the following conditions:

- * His car must be registered in the time window for his age group, just as if he attended the derby.

- * His car must comply with the rules. If his car is overweight, too big, has improper wheels, etc., it will NOT race and we will NOT fix it for him.

- * If his car becomes damaged in a race and cannot run, we will NOT fix it for him.

- * If your boy's proxy is comfortable doing it, he may fix his car for him in these situations.

These rules are to ensure that we don't get into debates about how our fixes somehow negated your boy's super secret method for a fast car. We also will not have time to fix cars due to the disruption this change has caused.

3) Please be aware that things may be a little chaotic, and we ask for your patience.

If you are helping out with the derby, please check your email for a separate message. We are trying to determine when we will be able to get in for set up.

Updated derby times below:

Check-in times are firm. Your boy (or his proxy) must report in and register his car before the first race. To be considered present, he must physically be in the church, in the derby area, with his car. Den leaders, please be on time for your dens to help register cars. Cars MUST comply with the rules that were handed out with the car (e.g., weight, size, wheels, and so on.) Cars that do not comply may be modified to do so at the repair station but must be fixed by the start of the first race.

No cars will be registered for an age group after the first race starts for that age group. Once a car is impounded for the race, it may not be modified or re-lubed with dry lube. Cars damaged in a race may be repaired at the repair station.

1:00 PM - 1:15 PM Check in opens for Tigers
1:15 PM Tigers races start

1:45 PM - 2:00 PM Check in opens for Wolves 2:00 PM Wolves races start

2:15 PM - 2:30 PM Check in opens for Bears 2:30 PM Bears races start

3:00 PM - 3:15 PM Check in opens for Webelos 1
3:15 PM Webelos 1 races start

3:45 PM - 4:00 PM Check in opens for Webelos 2 4:00 PM Webelos 2 races start

Race times may start later than those posted due to tie-breakers, but in no event will they start before the listed times unless all boys are checked in.

The following times are tentative:

4:30 PM - 4:45 PM Finals races start

4:45 PM - 5:00 PM Awards

5:00 PM - Parent/Sibling Races (approximately 15 minutes)

Chris Restifo

As a reminder, the Pack will be providing refreshments during the Derby. However, you must bring your own cup/mug. We will be selling some extra mugs at the event. These are the same blue mugs that all the boys received earlier in the year.
